Road Closures and Traffic Changes:

- **Caribbean Drive, Lakeview Drive & Dalmore Drive:** Closed to public - Tenant access only

Tenants will be permitted to access their premises with the assistance of traffic controllers.

It is essential that the event is conducted safely and therefore, event organizers in association with an approved traffic management company, and with the support of Victoria Police, have produced and approved a Traffic Management Plan which will be implemented for this event.

Thank you for your support and understanding.
